This card is kind of like the flowerpot cards you've seen out there. You pull the ghost up out of the tombstone.

Print on 8 ½ x 11 paper and cut out. Tombstone is 3 ½ inches tall and ghost is 5 inches tall. This will fit in a 4 3/8 x 5 ¾ inch invitation envelope. This This card

Sew or glue the sides of the tombstone and use white pen for cracks in tombstone. Use white craft ink for letters "RIP." I used SU's Outline Alphabet Lower case set but any set will do.

Sponge sides of ghost with black ink and put on googly eyes on ghost.
